- **I live downtown how can I get in and out of my property? Will I have to stay out of town for the weekend?** If you live in the downtown closed street area, you will be given free wristbands for access to your home. It is not necessary to leave town. Residents will receive notification with instructions for wristband pick-up later this summer. Proof of address will be required to receive a wristband.

Misc. Question

- **Can I sell food or merchandise at the festival?** The concert producers will select food and merchandise vendors.
- **Will “outsiders” be coming in and just setting up booths selling stuff all over the place with no rhyme or reason?** No. Concert organizers will be selecting a limited number of food and merchandise vendors for both the Whitman Athletic Fields area and downtown. Individual downtown businesses in the concert venue will have the use of the sidewalks in front of their stores for sales of their merchandise.
- **How late will the music be going into the night?** Outdoor Music at the Whitman Athletic Fields ends at approximately 11:30 pm on Friday & Saturday. Downtown outdoor music will end no later than 2:00 AM.
- **Will Police and Fire Services be available.** Yes, no difference in staffing levels for the community needs.
- **Does this cost me as a taxpayer?** Madison House will pay the City \$169,000 for what we believe will be the costs for fire, police, public works. Our agreement with Madison House says anything under that amount will be refunded and anything over will be paid in addition to that. This does exclude Administrative costs – for example I get paid a salary to get the job done so my time is not covered.
- **Where will I park if I want to go to the festival or downtown?** Most public streets will be available except those closed in the downtown. There will be public parking in between the Cold Storage Buildings and the west side of Key Technology Building on Rose Street. The regular Valley Transit buses will be running all day and they have extended a shuttle bus route to the downtown until 3 am.
